

100kW Photovoltaic Container for Sports Venues

Overview

Engineered for high-capacity commercial and industrial applications, this all-in-one outdoor solution integrates lithium iron phosphate batteries, modular PCS, intelligent EMS/BMS, and fire/environmental control—all within a compact, front-access cabinet. Powered by premium 610W panels, the 100KW Mobile Solar Container from HighJoule delivers maximum energy density in a compact 20ft format. It's optimized for grid-tied setups requiring continuous and stable output. Set up in under 3 hours for off-grid areas, construction sites & emergency power. Rapid deployment, high efficiency, scalable energy storage, remote monitoring support. Introducing the 100kW Solar System in Container, brought to you by V-land International Ltd. As a leading manufacturer, supplier, and factory based in China, we are proud to offer innovative and sustainable energy solutions for businesses and communities around the world.
