Home Energy Storage (Stackble system)

Product Introduction

- Scalable from 10kWh to 50kWh
- Self-Consumption Optimization
- Integrated with inverter to avoid the compatibility problem
- LFP battery, safest and long cycle life
- Stackable design, effortless installation
- Capable of High-Powered Emergency Backup and Off-Grid Function

Guidelines for the Installation of Photovoltaic Systems

The developed guidelines promote a common understanding of the requirements of regulatory acts in the use of renewable energy resources and energy construction in the territory of ...
