

3 8 degrees outdoor power supply

Overview

For Wyze camera owners looking for a convenient and maintenance-free outdoor power supply, we recommend the Wyze Outdoor Power Adapter. Here's why it's a great choice: Weather Resistance: The adapter is IP67 weather-resistant, making it suitable for use in rain, snow, or shine. The total length of the cable is 12. Wyze Outdoor Power Adapter includes wire clips, screws, screw anchors, and a cable wrap. The Outdoor Power Adapter + L-shaped Micro. The ClimatePartner certified product label confirms that a product meets the requirements for the five steps in climate action including calculating carbon footprints, setting reduction targets, implementing reductions, financing climate projects and communicating transparently to continuously. Customers are pleased with the Hue 95W Outdoor Power Supply's increased power and brightness, allowing them to illuminate their homes effectively with more lights. The improved power enables users to run a greater number of lights compared to older models.
