Home Energy Storage (Stackble system)

- 
High Efficiency
- 
Easy installation
- 
Safe and Reliable
- 
Perfect Compatibility

Product Introduction

-  Scalable from 10kWh to 50 kWh
-  Self-Consumption Optimization
-  Integrated with inverter to avoid the compatibility problem
-  LFP battery, safest and long cycle life
-  Stackable design, effortless installation
-  Capable of High-Powered Emergency Backup and Off-Grid Function

Zimplats' 35MW solar plant nears completion

"Construction of 35MW solar plant; first phase of the four-phase project is in progress at 86 percent completion. The project has now entered the testing and commissioning stage and is ...
