

Berlin Uninterruptible Power Supply Service Provider

Overview

At Simi Electronics, we provide top-notch power solutions including UPS systems, inverters, and batteries tailored for industries and homes. Our commitment to reliability and performance ensures you never face downtime. Report your meter reading for the annual reading or when moving in/out or changing suppliers via our customer service portal. For 25 years, we have been ensuring the data security of our customers—without compromise! In the 21st century, few things are more. We offer an outstanding range of services, from commissioning to maintenance, refurbishments & life extension programs, leveraging our skills and expertise to secure your critical business.
