

Contact sheet for solar energy storage cabinet lithium battery energy storage

Overview

Delta's energy solution can support your business. CellBlock Battery Storage Cabinets are a superior solution for the safe storage of lithium-ion batteries and devices containing them. Constructed with long-lasting materials and sophisticated technologies inside. *1) SOC range is 90% to 10%. Custom design available with standard Unit: DBS48V50S. Our offering extends beyond the battery storage system itself. These outdoor battery enclosures, which come in all shapes and sizes, are designed to withstand extreme elements, climates and environments.
