

Financing for a 5mw outdoor telecom cabinet

Overview

The outdoor telecom cabinet is key to keeping the network running smoothly outdoors in 2025, from the remote base station to the monitoring site for the smart city. But how much does one actually cost, and what are you paying for?

. Westell is a collaborative partner in OSP deployment optimization providing customized, fully integrated, vendor neutral outdoor network equipment enclosures. Their modular designs allow you to scale and customize. Constructed to provide superior protection in all environments, ABS cabinet solutions offer maximum flexibility for customizable turn-key options that future proof growing networks. These specialized cabinets house and protect sensitive equipment like routers, switches, and other network devices.
