

# Financing options for 20-foot energy storage containers

## Overview

---

Explore flexible solutions to make your container investment more accessible. Most containers qualify for RTO except As-Is and Heavily Modified containers. Call us at (888) 977-9085 or choose your rent-to-own payment term on. Whether you're looking to finance shipping containers, explore ownership-based shipping container leasing (where ownership transfers on Day 1 and payments are made over a fixed lease-style term), or own through rent to own shipping containers, we offer flexible solutions designed to fit a wide. Need a container but want to keep your cash flow strong?

We've partnered with First Financial Bank to offer straightforward, flexible financing with no deposit, fast approvals, and zero early payoff penalties, so you can get the shipping container you need, without the wait. Loan Terms: What's. At XCaliber Container, we are proud to offer shipping container financing options that are ever evolving as we continue to research the best options for our valued customers. Explore our current options for financing below, which include options for personal consumers and businesses to finance both. The energy storage system is essentially a straightforward plug-and-play system which consists of a lithium LiFePO4 battery pack, a lithium solar charge controller, and an inverter for the voltage requested. Price is \$387,400 each (for 500KWH Bank) plus freight shipping from China. • Unfortunately, we do not accept RTO orders from Minnesota, New Jersey, or Wisconsin.
