

# Haidong Solar Photovoltaic Panel Manufacturer

## Overview

---

Haitai Solar is a China manufacturer specializing in green energy, covering nine major sectors including photovoltaic modules, photovoltaic power stations, photovoltaic mountings, photovoltaic cells, graphite/carbon electrodes, energy storage, battery swapping, hydrogen energy, and. Haitai Solar is a China manufacturer specializing in green energy, covering nine major sectors including photovoltaic modules, photovoltaic power stations, photovoltaic mountings, photovoltaic cells, graphite/carbon electrodes, energy storage, battery swapping, hydrogen energy, and. Jiangsu Huaduo New Energy Co. (hereinafter referred to as "HD") was established in 2018. It is a new energy company specializing in the research and development, production and sales of photovoltaic solar cells. Leveraging its deep industry experience and technical expertise, the Company gradually expanded into the broader energy sector. Its business covers nine sectors: PV Modules, PV Power Stations, PV Mounting, PV Cells. Top Solar Panel Manufacturers in China (2026) ranked by module shipments Q1 2025 1. Nestled in China's solar belt, this area has become a hotbed for manufacturers like Jiangsu Haidong Photovoltaic and Qinghai Shouneng Solar, who've turned sunlight into an industrial. As one of leading solar panel suppliers in China, the Sunrise module solar products currently mainly include the development, production installation, and sales of sunrise pv modules, as well as the construction management, technology development and operation, and maintenance of photovoltaic power. Shanghai JINSUN New Energy Technology Co.

## Haidong Solar Photovoltaic Panel Manufacturer
