

How to unload photovoltaic panels on site

Overview

It is recommended to unload the packing box by using forklift only. This manual provides comprehensive guidelines for the safe and efficient Unloading and storage of solar photovoltaic (PV) modules manufactured and supplied by JAKSON Engineers Limited. In the process of loading and unloading, the forklift. If your modules are damaged on arrival, notify the driver immediately, notify carrier and LONGi staff within 24 hours of delivery, and provide a record with detailed information within 48 hours of delivery. See claims and warranties for full details. Always insert the fork from the short side of. Thank you for choosing Citizen Solar PV modules. Before installation or using the Citizen Solar PV modules, it is must and important to read. This manual is for DMEGC solar PV module unloading instructions. When the Colorado Solar Farm.

How to unload photovoltaic panels on site

Unloading & Unpacking of Solar Modules

Please read the following safety instructions carefully before unloading and unpacking your solar modules. It is crucial to follow the outlined measures and guidelines for the safe unloading and ...
