

Indonesia s most extensive liquid-cooled solar container battery cabinet

Overview

Jambi, Febru- PT Cipta Kridatama (CK), a subsidiary of PT ABM Investama Tbk (ABMM), in collaboration with SUN Energy, has inaugurated Indonesia's first and largest Containerized Battery Energy Storage System (CBESS) for Solar Power. The. Features 12 high-voltage battery clusters, modular design, and advanced safety systems for optimal performance, extended lifespan, and unparalleled thermal stability. Scalable 261KWH-400KWH C&I ESS for peak shaving, backup power & renewables integration. These modular units combine high-capacity batteries with smart management systems - imagine a Swiss Army. Liquid-cooled battery cabinet ini menggunakan strategi cabinet-level liquid cooling dan temperature balancing. Cell temperature difference kurang dari 3°C, yang meningkatkan konsistensi cell temperature dan memperpanjang battery life. 3°C/mm thermal uniformity - 12x better than forced-air systems. The 115kW/232kWh liquid cooled energy storage cabinet adopts an integrated design concept, which is a highly integrated energy storage.

Indonesia s most extensive liquid-cooled solar container battery cal

Indonesia launches first containerised energy storage ...

The first and largest containerised battery energy storage system (CBESS) for solar power has been launched in Indonesia.
