

# Indoor container power generation installation

**ESS**

**Deye Digital & Smart Energy Management Platform**

Cycle Life  
**≥ 6000**

## Overview

---

This comprehensive 2025 guide provides detailed specifications, code compliance requirements, cost analysis, and professional installation recommendations for all major utility systems in container homes. Our solutions provide reliable energy generation and storage for industries, construction sites, events, and remote operations. Whether you need a container generator unit, a fully integrated. Customers requiring shorter overall delivery times and minimal on-site work have been the main drivers for Hitachi Energy's development of pre-fabricated indoor substations.
