

Industrial and commercial stacked energy storage batteries

Industrial and commercial stacked energy storage batteries

StackRack Battery Systems , Residential, Commercial & Utility-Scale

At StackRack, we specialize in cutting-edge modular battery systems for residential, commercial, and utility-scale applications.

What is Commercial and Industrial

Energy Storage?

Commercial and industrial energy storage systems (C& I ESS) refer to large-scale battery solutions designed to store electricity for businesses, manufacturing plants, and commercial buildings.

48V 100Ah

Everything You Need to Know About Commercial and Industrial ...

Unlike small-scale residential batteries, commercial and industrial battery storage systems handle much higher

- Voltage range: 691.2-947.2V
- >6000 cycles (100%DOD)
- Rated battery capacity: 216KWH (customizable)
- EMS communication: 4G/CAN/RS485

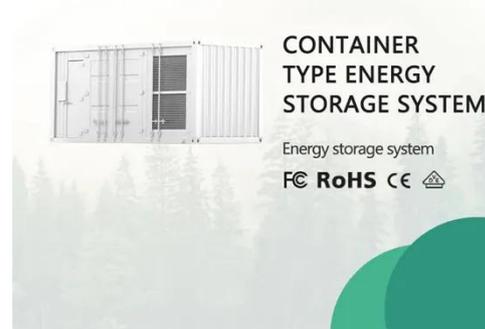

power loads, ensuring stable energy supply even in complex operations.

Stackable Battery , SWA Energy Modular LiFePO4 Storage

We specialize in LiFePO4 batteries for residential, commercial, and industrial energy storage. Available in wall-

mounted, rack, stackable, and high-voltage formats.
