

Is installing photovoltaic panels and giving away electrical appliances a scam

Overview

These scams start with an unexpected phone call, message on social, or even an in-person visit. Or they might try to sign you up for a “free” program to make your home more energy efficient with solar. Under the “2023 Solar Incentive Program,” U. homeowners can “now qualify to get a full, state-of-the-art solar system at absolutely no cost from the government. ” Solar panels are seen on the rooftop of a home in a new housing project in Sacramento, Calif. government. If you've received an offer for "free solar panels," it could be a scam. Sunlight is one of the most widely available resources on the planet.
