

# Jiangxi Photovoltaic Combiner Box Manufacturer

## Overview

---

Our product have been selling to State grid, China Southern Power Grid, China Huaneneng, Sdic Power, CHD, TK, Sinopec, Petrochina, China Guodian, Aux, China Railway, China Railway Construction, CNNC, China mobile, Life's Good, Tianneng, China 3 Gorges, CR power, CATL, Siemens and etc. A combiner box, also known as a junction box in the context of solar power systems, is a crucial component that plays a vital role in the efficient and safe operation of photovoltaic (PV) installations. Its primary function is to combine the electrical outputs from multiple solar panels or strings. Ningbo Deye Inverter Technology Co. Their microinverters, which range from 300W to 2000W, offer module-level monitoring and can be remotely controlled. YCX8-IFS photovoltaic combiner box is suitable for the maximum input voltage of the inverter DC1000V, which is made of PVC engineering materials, and the protection level reaches IP65. With solar DC side overload protection, short circuit protection, surge protection and isolation functions. Our products, designed and manufactured by experienced professionals in China, offer robust solutions for optimizing solar energy systems. With years of expertise, we.

## Jiangxi Photovoltaic Combiner Box Manufacturer

---

### China PV Combiner Box Suppliers & Manufacturers & Factory

JENSYS is one of the leading PV combiner box manufacturers and suppliers in China, also supporting wholesale service. Be free to buy high quality PV combiner box at competitive price from our factory.
