

Kinshasa energy storage solar lights

Higer conversion efficiency

CAN/RS485/WIFI/4G
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white energy storage units on wheels. The left stack is labeled '20 Kwh', the middle '30 Kwh', and the right '50 Kwh'. Each unit has a small digital display and control panel. The background shows a house and a clear sky. The text 'Higer conversion efficiency' is in the top left, and 'CAN/RS485/WIFI/4G Blue tooth communication' is in the top right with a wireless signal icon. Two green callouts at the bottom describe the 'Thick shell, well protection for inside cells' and 'BMS customization supported'.
