

Latest news on photovoltaic panel restructuring

Overview

US solar and storage developer Pine Gate Renewables filed for Chapter 11 bankruptcy protection in November, joining other major companies that went under earlier this year, including residential solar financing platform Solar Mosaic and residential solar provider Sunnova. Bankruptcy filings in the US solar sector have continued in 2025 amid a confluence of headwinds. Posigen, a residential solar and energy efficiency installer headquartered in New Orleans, Louisiana, has filed for Chapter 11 bankruptcy. In August, Posigen announced it. These mounting pressures have driven two of the most prominent firms in the U.
