

Liberia Smart Energy Storage Battery Company

Overview

is a Liberian-owned company providing innovative solar, electrical, and construction solutions. Liberia's energy sector is undergoing a transformation, with battery energy storage systems (BESS) playing a pivotal role in stabilizing grids and supporting renewable energy adoption. We specialize in solar energy systems, electrical infrastructure, energy consultancy, and general construction—serving both. Release by Scatec, majority owned by Scatec ASA has signed new lease agreements totalling 64 MW of solar power and 10 MWh of battery storage across Liberia and Sierra Leone. “These agreements mark a significant step in strengthening our renewable energy presence and delivering flexible, modular. Liberia, a country where 40% of urban areas experience daily power outages, while rural electrification rates hover below 10% [1].
