

# Lijiang Jinfu Solar Power Generation

## Lijiang Jinfu Solar Power Generation

---

### Jinfu Huante Solar Power Generation

Solar energy - Electricity Generation: Solar radiation may be converted directly into solar power (electricity) by solar cells, or photovoltaic cells. In such cells, a small electric

## Jinfu LIU , Xiangtan University , Department of Environmental Science

Accurate four-hour-ahead PV power prediction is crucial to the utilization of

PV power. Conventional methods focus on using historical data directly. This paper addresses this issue from a
