

Longi flexible photovoltaic panel manufacturer

Overview

LONGi Solar is a leading manufacturer of solar panels and photovoltaic solutions, founded in China in 2000. Its specialties include the production of PERC (Passivated Emitter and Rear Cell) monocrystalline cells and bifacial panels. At the key node of intergenerational transition of global Photovoltaic (PV) technology, the back contact (BC) cell technology is leading the new-generation PV technology paradigm revolution, becoming the core engine to drive industry cost reduction and efficiency improvement and realize energy. The company is committed to providing sustainable energy solutions around the world to promote the popularization and application of clean energy. Don't hesitate to contact us for better help and service. Explore more Since its establishment, the company has adhered to innovation-driven. Longi is the world's leading solar manufacturer, consistently making Top-10 solar brands. Its solutions are used in a variety of applications, including.

Longi flexible photovoltaic panel manufacturer

Solar Panel Manufacturer, Battery Pack, Solar System Supplier

We Are Mainly Engaged In R& D, Production And Sales Of PV Modules And Lithium Batteries, As Well As Providing Customers With Solutions For Solar Energy Projects. We Also Provide Professional ...
