

Longke New Energy Storage

Overview

China-based photovoltaics and electrolyser maker LONGi has officially moved into the energy storage sector with the launch of its LONGi Energy Storage One-Stop Solution, positioning the company as an integrated solar-storage-hydrogen technology provider. London, England, November 26 –On November 26, a grand launch event for LONGi's energy storage solutions was held in London. Author: Portland General Electric. Here, battery modules are being sorted and assembled into packs, prior to BESS assembly. We caught up with the president of system integrator PotisEdge following. LONGi has reportedly taken a stake in Suzhou Jingkong Energy, marking a strategic move into energy storage as the solar giant faces mounting profit pressures and intensifying industry competition.
