

Mobile energy storage power supply in bergen norway

Higer conversion efficiency

CAN/RS485/WIFI/4G
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three stacks of white mobile energy storage units on wheels. The first stack is labeled '20 Kwh', the second '30 Kwh', and the third '50 Kwh'. Each unit has a small digital display and control panel. The background shows a house and a clear sky. The text 'Higer conversion efficiency' is in the top left, and 'CAN/RS485/WIFI/4G Blue tooth communication' is in the top right with a wireless signal icon. Two green callout boxes at the bottom highlight 'Thick shell, well protection for inside cells' and 'BMS customization supported'.

Mobile energy storage power supply in bergen norway

8 Top Energy Companies in Bergen · January 2026 , F6S

Designed for scalability and sustainability, our technology is geared towards supporting high-performance energy storage solutions for both stationary and mobile applications.
