

Nassau solar installation

Overview

This section lays out a typical solar electric system installation process along with a few choices that you and your contractor will have to consider. At EmPower Solar, we are dedicated to providing Nassau County residents with the highest quality solar solutions. With over a decade of local experience and a commitment to sustainability and customer satisfaction, we offer state-of-the-art solar panel installations for Hempstead, Oyster Bay. The first step to going solar is a site assessment. We evaluate your home or business's energy usage and utility rate to determine potential solar savings. Schedule now! Switching. Installing solar panels for homes in places like Garden City or Merrick, or properties with high daytime usage, systems go up to 30 panels.
