

# Nepal Photovoltaic Energy Storage Battery Cabinet with Ultra-Large Capacity

## Overview

---

Gham Power together with its partners Practical Action and Swanbarton have officially been awarded a project by United Nations Industrial Development Organization (UNIDO) to install one of the largest energy storage systems in Nepal, with a total battery capacity of 4MWh. This installation will. North America leads with 42% market share, driven by corporate sustainability initiatives and tax incentives that reduce total project costs by 18-28%. Stakeholders have pointed.
