

New project of san diego energy storage company

Overview

A massive new battery storage facility just came online, and it's already making an impact in the San Diego area. Arevon Energy recently launched the Peregrine Energy Storage Project, a massive \$300 million battery installation in the city's Barrio Logan neighborhood, Electrek. SAN DIEGO, Ma/PRNewswire/ -- San Diego Gas & Electric (SDG&E) announced today the California Public Utilities Commission (CPUC) has approved an expansion of the company's Westside Canal Battery Energy Storage facility in California's Imperial Valley. This expansion project will add 100. SDG&E has been rapidly expanding its battery energy storage and microgrid portfolio. (J) - Arevon Energy, Inc.
