

Photovoltaic bracket low-income households

 **TAX FREE**

Product Model

HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions

1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity

215KWH/115KWH

Battery Cooling Method

Air Cooled/Liquid Cooled

Photovoltaic bracket low-income households

The effect of residential solar on energy insecurity among low

New research finds that rooftop solar leads to a large reduction in energy insecurity, particularly among low- to moderate-income households in the country.
