

Photovoltaic slice plastic board manufacturer

Overview

Our expertise lies in designing parts for dust prevention, cable sealing, and mechanical isolation—critical in rooftop, ground-mounted, and off-grid solar setups. From bulb seals to oil volume inserts, every component is optimized for long-term reliability in outdoor energy systems. SHANGHAI QUANFU SHEETS CO. of China was founded in 2002 is a Polycarbonate (PC) sheet producing company with a professional ability of developing, researching and selling. We adhere to the management principles of "quality first, customer first and credit-based" since the establishment of the. The company was established in 2009. Infracwin is power distribution board manufacturers and electric power distribution enclosure factory in China, a high-tech enterprise with 37 patents, integrating R&D, design, manufacturing, and sales. Whether you are a local market distributor or a trader, we can provide you with the most competitive pricing support.

Photovoltaic slice plastic board manufacturer

PV Backsheet, Photovoltaic Backsheet; PV Backsheets , Dunmore

Dunmore offers various PV backsheet constructions such as Military Spec TPT and TPE using DuPont Tedlar®, DUN-SOLAR PPE+ and Ultra-clear all polyester constructions and a range of specialty ...
