

Red earth energy storage reviews

Overview

Read 8 customer reviews of RedEarth Energy Storage Gympie and South Burnett, one of the best Consumer Services businesses at Unit 2/12 Jane St, Gympie, QLD 4570 Australia. Find reviews, ratings, directions, business hours, and book appointments online. That's why I paid thousands \$ for a RedEarth 5kW BushChook battery when I installed my solar PV panels (which came from another manufacturer). The PV panels are great, but the battery is useless. The company was co-founded by 3 former Australian CEOs of different companies and the company is known for manufacturing battery solutions that are tailored for Australian conditions. RedEarth engineer and assemble. We love receiving feedback from our customers about their RedEarth experience. Our systems are complete turn key packages with innovative and proven technology.
