

# Rwanda Base Station Site Conflict

## Overview

---

Leaked reports, satellite images and interviews reveal the extent of Rwanda's shadow war in the Congo, as the U. Displaced people's camps flattened. Prisons. A conflict began between the Democratic Republic of the Congo (DRC) and Rwanda in 2022 after Rwandan forces entered the country to provide military support to the March 23 Movement (M23) rebel group, including fighting alongside them against the Congolese military (FARDC) and pro-government. When a Rwandan journalist living in London, United Kingdom, sat down on a bench in a public park, in August 2022, the first thing he said, after nervous introductions, was: "My wife didn't want me to come. " His eyes darting around to check if anyone was eavesdropping, he. The seeming rapid deterioration of security in the eastern DRC and resurgence of M23 are an outcome of longstanding regional rivalries between Rwanda and Uganda. FARDC soldiers patrol near Goma after an attack by M23 rebels. Rwanda genocide of 1994 Skulls of victims on display at a church where they had sought refuge during the Rwanda genocide of 1994. The site now serves as the Ntarama Genocide Memorial, Ntarama, Rwanda. Encyclopaedia Britannica's editors oversee subject areas in which they have extensive knowledge.
