

# Slovenia Power Storage Project Company

## Overview

---

The Slovenian state-owned power company, Holding Slovenske elektrarne (HSE), will build two additional solar plants with battery storage in Prapretno. GSL ENERGY Delivers a 480kWh C&I BESS Battery Energy Storage System in Slovenia. In the picturesque landscape of Slovenia, renewable energy is taking center stage as businesses seek sustainable solutions for their energy needs. The project will feature three of Jinko ESS's advanced Utility G2, 5MWh containerized battery energy storage systems, with. Slovenia selected a range of projects eligible for support via the European Union's Modernisation Fund. The focus is on battery storage and distribution grid. The deal, valued at an estimated 100 million euros, was signed with a consortium led by Czech. State-owned utility and power generator HSE is targeting 800MW of flexibility assets across Slovenia by 2035, including pumped hydro energy storage (PHES) and battery energy storage systems (BESS).
