

# Solar Container Two-Way Charging Installment Payment

## Overview

---

Payment plans designed to fit your monthly budget. Federal and local incentives may apply to help lower your initial investment. Service all system components according to. Payment is accepted online or by phone. Your first payment is due 35 days from your permission-to-operate (PTO) date and your monthly payment will be due on that same date going forward each month. Two are direct purchases, where you own the system, and two are third-party owner payment options. If you work with a reputable partner like an Enphase. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. Solar can be more accessible than you think, it may cost less than your current electric bill. <sup>1</sup> Homeowners now have multiple financing options to bring clean, renewable energy to their homes with manageable monthly payments. If you're paying \$205 per month today, that's about \$87,000 you'll spend on electricity in the next 25 years, accounting for inflation.
