

# Swedish public mobile energy storage station inverter connected to the grid

## Overview

---

SCU energy storage system has obtained a power grid connection and EN 50549-1 certification and can be connected to the Swedish power grid. Sweden's Minister for Climate and the Environment Romina Pourmokhtari has inaugurated the largest unified battery storage portfolio in the Nordics, a pioneering initiative developed by Ingrid Capacity in partnership with BW ESS. Become one of the few energy storage brands in the Nordic market that has both EU. Fourteen large battery storage systems (BESS) have come online in Sweden, deploying 211 MW/211 MWh for the region.
