

# Water-cooled battery cabinet price

## Overview

---

Individual pricing for large scale projects and wholesale demands is available. BESS-372K, the liquid cooling battery storage cabinet that offers high safety, efficiency, and convenience. Equipped with an independent liquid cooling system, it achieves higher energy density and enhanced heat dissipation within a compact footprint, while offering advantages such as high efficiency, low noise, safety. MEGATRON 1500V 344kWh liquid-cooled and 340kWh air cooled energy storage battery cabinets are an integrated high energy density, long lasting, battery energy storage system. Each battery cabinet includes an IP56 battery rack system, battery management system (BMS), fire suppression system (FSS). The GSL-BESS80K series all-in-one liquid-cooled battery energy storage system (BESS) is a high-performance energy storage solution specifically designed by GSL ENERGY for industrial and commercial users. The system integrates batteries, power conversion systems (PCS), liquid cooling systems, BMS. Maximize power reliability & savings with our 125KW/261KWH Liquid-Cooled Battery Cabinet. Featuring superior cooling efficiency for extended 10-year lifespan, it enables critical equipment UPS protection and significant bill reduction through intelligent load shifting.

## 125Kw 261Kwh Liquid cooling all in one Battery energy storage Cabinet

Equipped with an independent liquid cooling system, it achieves higher energy density and enhanced heat dissipation within a compact footprint, while offering advantages such as high efficiency, low ...

[Get Price](#)

## 418kWh Liquid-Cooled Energy Storage Battery Cabinet

Designed for industrial facilities with higher daily loads and longer discharge requirements. This 418 kWh Liquid-Cooled Energy Storage Battery Cabinet is built with an independent liquid cooling system and ...

[Get Price](#)

## Wattainer Liquid-Cooled Series

The Wattainer Liquid-Cooled Series features high-performance, liquid-cooled batteries housed in modular cabinets. This advanced liquid-cooling thermal management system results in better battery ...

[Get Price](#)

## All-in-one Outdoor Lithium Battery Storage Cabinet 215kWh 819.2V ...

Outdoor Cabinet BESS CX-CI002 is an all-in-one 215kWh lithium battery storage cabinet system specifically developed for

demand regulation, peak shaving,  
industrial and commercial energy ...
