

# Waterproof Outdoor Photovoltaic Energy Storage Cabinet for Ottawa Water Treatment Plant

## Overview

---

Engineered with reinforced steel enclosure and IP55/IP65 protection class for dust, water, and corrosion resistance in severe climates. ECE One-stop outdoor solar battery storage cabinet is a beautifully designed turnkey solution for energy storage system. This integrated solar battery storage cabinet is engineered for robust performance, with system configurations readily scalable to meet demands such as a 100kwh battery storage. HBOWA PV energy storage systems offer multiple power and capacity options, with standard models available in 20KW 50KWh, 30KW 60KWh, and 50KW 107KWh configurations. Scalable from Residential to Utility. In-house IoT EMS hardware and software provide cost-effective solutions for managing distributed energy. AZE's outdoor battery cabinet protects contents from harmful outdoor elements such as rain, snow, dust, external heat, etc. They assure perfect energy management to continue power supply without interruption.
