

# What inverter to use for rooftop photovoltaic

**636V-876V**  
**215KWH Distributed ESS Cabinet**

- Factory/farm/hotel/island etc solution
- Professional designing and analysis
- Lithium /GEL batteries optional
- Technical and installation support
- Intergrated 20/40ft container solution

## What inverter to use for rooftop photovoltaic

---

### Types of inverters for rooftop projects?

With various options available in the inverter segment, choosing the right one for your solar project becomes difficult. The three most commonly used inverter technologies are-1. String Inverters2. ...
